Simply complete the online "Jotform" with your contact details and we will be in touch.

By joining Aquinas you will have fantastic opportunities to develop your career, including:

- Ability to move schools within the Trust to gain wider experience. Our schools range from half to four form entry, and from rural to London schools, and whilst we are one Trust with one mission each academy maintains its own unique characteristics and individual identity within the community it serves.
- Weekly CPD sessions – you are able to choose the courses that will benefit you most at every stage in your career.
- Leadership training and promotion opportunities through our Trust network believing in growing leaders for the future.
- Through our learning and support networks you will work with other professionals across the Trust helping to shape the futures of the children in our schools.

We aspire to create a loving, caring community in which children are encouraged to achieve their academic potential and grow in confidence, assurance and consideration for others as they learn about themselves and the world in which they live.
